

**Hello!**

Are you looking for personal and professional growth while you work with a diverse team on different tasks? We are here for you! **LEVEL UP Association** is looking for enthusiastic, motivated and passionate people to generate positive impact by becoming part of E-Volunteering in the International Masters Team.

**What are we looking for?** Adaptable people, who can handle a fast-paced environment, have strong multitasking, organizational skills, excellent communication and teamwork abilities.

Your role will be supporting and cooperating with other teams like **Events & External Training Masters, Research Masters, Project Management Masters, Projects & Partnerships Masters, Graphics Masters and Translation Masters.**

**In addition, you will have the opportunity to participate in various tasks and projects including:**

- script development for International projects,
- coordination and organization of language sessions,
- assistance in recruitment efforts and partner research,
- creation of materials for events and workshops,
- collaborative writing blog articles on diverse topics.

**What we offer:**

- fully remote, task-based work - we look only at the results of your work
- participation in internal and external trainings,
- soft skills development,
- learning tools used in business and NGOs (like WordPress, Canva, Trello, Discord, Zoom),
- opportunity to participate in international exchanges and trainings after the trial period (so far our interns and volunteers have been to Portugal, Egypt, Armenia, Spain, Italy and many other interesting places),
- opportunity to create and implement your own project (we will support you in obtaining funds, planning and executing the entire project),
- adapting to your time availability (e.g., flexibility during exam periods),
- working in a young, dynamic team (of course :) ) and a well-coordinated organization
- integration meetings (online or in-person),
- free English and Spanish language courses.

**Would you like to join?** Fill in this form by 25th May: [Apply here!](#)
